CAREER OBJECTIVE

Aspiring software engineer with a B-Tech in Computer Science, driven to secure a challenging role in a fast-paced company, where I can apply my technical prowess in software development, design, and application to craft innovative solutions and drive digital excellence.

ACADEMIC DETAILS

Qualification	School/College	Year	Percentage(%)
B-tech(Computer Science and Engineering)	Vel Tech Rangarajan Dr Sagunthala R and D Institute of Science and Technology, CHENNAI, TAMILNADU	2019-2023	8.3(CGPA)
XIIth	Surendranath Centenary School (CBSE), JHARKHAND	2018	57.6%
Xth	Kendriya Vidyalaya School (CBSE), JHARKHAND	2016	87.5%

TECHNICAL SKILLS

- **Testing Tools:-** Cucumber, Selenium.
- **Languages:-** PYTHON, JAVA.
- **Web Development Tools:-** JAVASCRIPT, REACT, NODEJS, HTML, CSS, MONGODB.

CERTIFICATION

- Cisco Certified Network Associate
- PCAP - Programming Essentials in Python
- React 18 Tutorial and Projects Course (Udemy)
- Server-side Development with NodeJS, Express and MongoDB (Coursera)
- HTML, CSS, and Javascript for Web Developers (Coursera)

COURSE WORKS

- Data Structures and Algorithms, Web Development, Database Management Systems, Computer Networks

PROJECTS

- **Bank Application Testing with Selenium**
Conducted extensive testing of a banking application to ensure secure user login, transaction processing, and error handling. Utilized Selenium for test automation, Java for scripting, and integrated testing tools. Collaborated with the development team to identify and resolve issues, enhancing the application's reliability and security.
- **Social Media Application in React**
Developed a feature-rich social media web application using React that allows users to create posts, log in, log out, and authenticate using Google Sign-In through Firebase. Implemented CRUD (Create, Read, Update, Delete) operations for user posts. Users can interact with posts by liking, disliking, and commenting on them. Utilized Firebase for real-time database management, making the application dynamic and responsive.

STRENGTHS

- Positive Attitude, Social Interaction, Creative Thinker, Team Management

INTEREST AND HOBBIES

- Reading Books and Playing Outdoor Sports.
